

# C5 window envelope with A4 paper – OCR

For OCR mailings, an additional 7mm should be kept clear on all sides of the address box to allow for movement of the letter within the envelope. This is shown by the dotted outline around the address box.

## Contact

Please contact us if you are in any doubt or would like us to look at a sample of your artwork before it goes to print. Call our office on 01829 270714 to speak to us.
